SUMMER CAMP 2021

This Summer we will offer an eight week session: June 21st - August 13th

We are pleased to announce a very special summer camp program for your child. Each week the children will explore a different theme. Weekly activities will include singing, music, drama, arts and crafts, puppetry, water play, organized games, and other group activities. We will also have music festivals, spirit days, pony rides, carnival day, circus day, and other great surprises!!

Get ready to get wet!! During the warm summer months the camp will provide a variety of water play activities such as sprinklers, hoses, water tables, wading pools, and group swim in our own heated pool. Private and semi-private swimming lessons are also offered during school hours.

Our popular Dance, Karate, Gymnastics, Sports, and Young Engineers extracurricular classes will also be offered during Summer Camp.

Our Toddler program is designed for children ages 18-30 months. Toddlers may attend half or full days.

Two and three year olds may attend half or full days. Full day programs are more enjoyable and rewarding for the children. They love the puppetry, drama, water play, and other activities that take place in the afternoon. Full day children will have a rest time.

Four to seven year olds must attend the full day summer camp program. It is a very exciting and fulfilling experience for them. Children in the four year old classes will have a rest time. All four year old, kindergarten, and grade one summer classes have computers in the class as part of the summer camp experience.

Please return your summer camp application with the deposit as soon as possible as our classes fill up very quickly. We cannot prorate for a day or for a portion of a week. We will prorate by the full week. Please include your vacation dates on your summer camp application in order for us to prorate your tuition.

**ENROLL EARLY SO THAT WE MAY PLACE YOUR CHILD IN THE
